Project interim guidance

A wide range of projects may be considered related to inequality as defined by the UN Convention on the Rights of the Child. The scholarship awards will be evaluated according to the following criteria:

1. Children's perspectives and participation
2. The scale and severity of the disadvantages being experienced by the projects target group of children
3. The evidence of success or secondary evidence of potential success of the project
4. The potential for replication of the project in other contexts or countries
